Mayor's Curbside Chat

6:30–7:30

**Mayor Duffy returns to
Webster Community Center**

Mayor Duffy and his team hit the streets in the Bay and Culver area—from 5:30 to 6:30—to meet with citizens and businesses to hear suggestions on how to make Rochester the best mid-sized city in the nation.

We will also have members of every department from City Hall available—from 5:30 to 7:30—at Webster Ave. Community Center to answer your questions about public safety, education, economic development and much more.

Pair up and put an end to crime.

Be sure to volunteer for PAC TAC and work with the Rochester Police Department citizens to keep our City safe. The PAC TAC Van and information will be on hand to assist you.
